GORDON PRIZE in **MANAGING CYBERSECURITY RESOURCES**

Apply for the Gordon Prize in Managing Cybersecurity Resources and win \$1,000! All Honors College students in good standing (including students in living-learning programs and departmental honors) are eligible to apply for this cybersecurity award.

The award seeks creative and innovative essays or projects that address the topic of “Managing Cybersecurity Resources” from a variety of perspectives.

The winning entry receives a \$1,000 award.

Due Friday, April 4, 2025

Info and application: go.umd.edu/gordon25
